

A painting depicting a large crowd of people, likely the Israelites, in a desert landscape. The scene is filled with people of various ages and ethnicities, some carrying bundles on their heads or backs, suggesting a journey or migration. The background shows a vast, arid landscape with some structures and a bright sky. The text is overlaid on the image in three lines: 'The Lost & Found' in blue, 'Tribes of the' in purple, and ''House of Israel'' in yellow.

## Jerusalem Hymn

And did those feet in ancient time  
Walk upon England's mountain green?  
And was the holy Lamb of God  
On England's pleasant pastures seen?  
And did the countenance divine  
Shine forth upon our clouded hills?  
And was Jerusalem builded here  
Among those dark satanic mills?  
Bring me my bow of burning gold!  
Bring me my arrows of desire!  
Bring me my spear! O clouds unfold!  
Bring me my chariot of fire!  
I will not cease from mental flight,  
Nor shall my sword sleep in my hand,  
Till we have built Jerusalem  
In England's green and pleasant land.
